Form 990, Part I, Line 1, Description of Organization Mission:
sponsorship, medical care, vocational initiatives, and spiritual
discipleship.

Form 990, Part III, Line 4a, Program Service Accomplishments:

The Ministry's key initiatives include:

Educational Activities - The Ministry directly supports The Amazima School, a Christ-centered primary and secondary school that equips Ugandan students with the tools of learning and creative thinking to live fully for the glory of God. Through educational scholarships, students receive a Christ-centered education, meals, school supplies, medical care, and spiritual discipleship. Primary school students (P1P7) attend as day students, while secondary school students board on campus. Teachers follow the Ugandan curriculum and incorporate Biblical integration in each classroom to cultivate a Biblical worldview.

Discipleship - Outside of class, secondary boarding students participate in the Student Life program, a mentorship initiative led by married couples and single Ugandan adults who live among the students and model Christian lifestyles and marriages. Student Life incorporates daily devotions, life skills groups, intramural sports, worship teams, community service projects, partnerships with other area NGOs, and intentional relationships to promote spiritual and personal growth.

Next Steps - Upon graduation from secondary school, students are supported with career guidance, internships, university application assistance, vocational placements, financial literacy training, and mental health resources. The Ministry continues engaging graduates by assisting with tuition, supplies, and mentorship throughout their university, vocational training, or entry into the workforce.

Medical Care - The Ministry provides health care for students and their families within the Jinja community who may otherwise lack access to affordable medical services. Students receive vaccinations, as well as testing and treatment for common infectious diseases such as malaria and typhoid. The Ministry's medical department collaborates with mentors and social workers to offer health screenings, deworming, and referrals for additional care. Trained clinical psychologists also provide mental health education and counseling to all students.

Entrepreneurial Projects - The Ministry partners with local Ugandans to implement self-sustaining businesses and agricultural initiatives that enable individuals to provide for their families. These projects include farming, soap-making, and operating small shops within local communities.

Community - The Ministry fosters spiritual growth activities and Bible studies in several villages in Uganda.
